Re: *Satanic Temple v. Newsweek* (22-CV-1343) – supplement to unopposed request for a 30-day extension for fact discovery

Dear Judge Vyskocil:

Pursuant to Individual Civil Rule 2(G), Plaintiff The Satanic Temple, Inc. requests a thirty (30) day extension of the deadline to complete fact discovery to December 7, 2023. The current deadline is November 7, 2023. (ECF 43). This is the second extension requested and it is unopposed by Defendant Newsweek Digital, LLC.

By way of supplement to yesterday's letter, the parties had a discovery hearing today with Magistrate Judge Cave today pertaining to a dispute surrounding the scope of document production. The written order is still forthcoming, but the announced ruling is that Newsweek shall produce the documents for an *in camera* review by October 20. It is not practicable for Magistrate Judge Cave to review the documents in time for depositions currently scheduled for October 27 and 31. An additional 30 days of discovery time will result in more orderly depositions and will prevent piecemeal discovery.

Wherefore, Plaintiff respectfully requests a 30-day unopposed extension of time to complete fact discovery, to December 7.

Respectfully submitted,
By: /s/ Matt Kezhaya
